Abstract.

Keywords: st0001, Stata, LaTeX, Quarto, StataJ

1 Introduction

asd [BAYES] **bayes** is an example of a reference to a bayesian model.

$$a = b \tag{1}$$

in Equation 1 we have a simple equation.

Then Börsch-Supan (1987). However Zoghbi and Stojmenovic (1998) is also important. but Robinson (1970) mentioned there was a problem
